The butterfly's only flaw was falling victim to a human's deceit. Leah was a young lady that for most of her life knew that people favored her younger sister over her. Rochelle, her sister, is the picture of beauty, and has always had things pretty easy. Even as a child she received special treatment from teachers, neighbors, the kids at school, and even their father. As Leah, who is treated poorly because of her unconventional looks, finds herself in many unfavorable situations.
