Cornerstone. Paperback. Book Condition: new. BRAND NEW, Vital Signs, Tessa McWatt, 'I think I have found the way to talk to her in the present. The past takes too much language.' So much is taken for granted in a long marriage, so much is relied upon, resented, and never spoken of. When Anna begins to mangle her sentences as a result of a brain aneurysm that could kill her at any moment, her husband Mike uses his talent as a graphic artist to draw his way closer to his wife. Trying to communicate with her, and himself too, through signs and symbols, he wants to show his wife that she has been his entire universe. But Mike is deeply flawed, hovering on the knife-edge of a confession, he selfishly looks to the woman he loves for absolution. Not knowing how much time they have left together and incoherent with guilt, will he finally confess all the ways in which he rebelled against her power over him, the way he betrayed her?.
