Putting Modernism Together: Literature, Music, and Painting, 1872-1927

By Daniel Albright

Johns Hopkins University Press. Paperback. Book Condition: new. BRAND NEW, Putting Modernism Together: Literature, Music, and Painting, 1872-1927, Daniel Albright, How do you rationally connect the diverse literature, music, and painting of an age? Throughout the modernist era-which began roughly in 1872 with the Franco-Prussian War, climaxed with the Great War, and ended with a third catastrophe, the Great Depression-there was a special belligerence to this question. It was a cultural period that envisioned many different models of itself: to the Cubists, it looked like a vast jigsaw puzzle; to the Expressionists, it resembled a convulsive body; to the Dadaists, it brought to mind a heap of junk following an explosion. In Putting Modernism Together, Daniel Albright searches for the center of the modernist movement by assessing these various artistic models, exploring how they generated a stunning range of creative work that was nonetheless wound together aesthetically, and sorting out the cultural assumptions that made each philosophical system attractive. Emerging from Albright's lectures for a popular Harvard University course of the same name, the book investigates different methodologies for comparing the evolution and congruence of artistic movements by studying simultaneous developments that occurred during particularly key modernist years. What does...
