Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

IMMERSED: THE IMMERSED SERIES BOOK 1

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.What if love turned you into a monster? Forget petticoats and demure female behavior. Melusine Dore prefers armored corsets and knives and slays evil creatures for a living. The grim and gruesome don't frighten her; she'll take on a cyclops or a dragon and not even break a sweat. But when her rival, the charismatic Levi Cannon, comes to town, all her buried fears begin to surface. Melusine realizes she is in danger of something much more horrifying than facing blood-thirsty beasts - she's in danger of falling in love. Because love alone has the power to reveal a secret terrible enough to completely shatter her world. Set in the muddy streets of 1850s steampunk Chicago, Immersed by Katie Hayoz is a dark yet romantic fantastical romp. It is a stand-alone novella, the first in a series of adventures that follow Melusine on her quest to rid the world of monsters and her struggle to come to terms with every monstrous facet of herself.
